

Important information about additional and regular investments

How do I make an additional investment?

If your balance is at least \$1,500 in FirstChoice Wholesale Personal Super, you can make additional investments by cheque or by direct debit at any time. Cheques should be made payable to: FirstChoice Wholesale Personal Super, [Investor name]. For every additional investment, we need to know the type of contribution (eg Eligible Termination Payment (ETP), personal contribution, employer contribution, etc) and your current employment status. This information will determine your eligibility to contribute and the amount of tax applicable to your investment. For more information, refer to the current Product Disclosure Statement (PDS). If we receive your application to make additional or regular investments into a suspended, restricted or unavailable option, the trustee may choose to reject your investment or your investment will be delayed.

We also have discretion over the investment option to which we allocate your additional and regular investments and will notify you if we choose a different investment option.

Please note: If you are contributing certain types of payments, ie directed termination payments (DTPs), CGT contributions or personal injury contributions, further information may be required. Please contact the ATO, your adviser or Investor Services on 13 13 36 for further details.

If we receive your additional investment instructions at our office before 3pm on a NSW business day, the entry unit price calculated at the end of that day will apply. Additional investment instructions received after 3pm are calculated at the following day's entry unit price. Should you wish to cancel your application, please provide us with a signed written request or contact us by phone before 3pm on a NSW business day on the day your completed application is received by Colonial First State.

How do I make a regular investment?

If you have a balance of at least \$1,500 in FirstChoice Wholesale Personal Super, you can arrange regular monthly investments of \$100 or more by setting up a Regular Investment Plan. If we receive additional or regular investments into a suspended, restricted or unavailable option, the trustee may choose to reject your investment or your investment will be delayed.

We also have discretion over the investment option to which we allocate your regular investments and will notify you if we choose a different investment option.

You can use this form to establish a Regular Investment Plan. If the account the funds are to be withdrawn from is a third party bank account that party will need to complete a separate Direct Debit Authority Form. **Regular investments are debited from your bank, building society or credit union account on the first working day after the 9th of the month.** Regular investments are accepted in accordance with the conditions outlined in the current Product Disclosure Statement.

To obtain the most current Product Disclosure Statement (PDS), you can:

- visit our internet site at colonialfirststate.com.au
- phone Investor Services on 13 13 36 for the cost of a local call within Australia.

Please phone Colonial First State Investor Services on 13 13 36 or email contactus@colonialfirststate.com.au with any questions.

Anti-Money Laundering and Counter-Terrorism Financing laws and Sanctions laws

We are required to comply with these laws, including the need to establish your identity (and, if relevant, the identity of other persons associated with your account).

Additionally, from time to time, we may require additional information to assist with this process.

We may be required to report information about you to the relevant authorities. We may not be able to tell you when this occurs. We may not be able to transact with you or other persons. This may include delaying, blocking, freezing or refusing to process a transaction or ceasing to provide you with a product or service. This may impact on your investment and could result in a loss of income and principal invested.

What should I know about providing my Tax File Number (TFN)?

We can collect your Tax File Number (TFN) under the Superannuation Industry (Supervision) Act 1993. It is not an offence not to quote your TFN.

Please note: If we don't have your TFN, employer contributions made to your account will be taxed at the top marginal tax rate plus Medicare and other applicable levies instead of the normal concessional tax rate of 15%. Additionally, you won't be able to make any non-concessional or personal contributions.

Also, if you do not provide your TFN, then:

- more tax may become payable on your benefits than would otherwise be payable
- if you are eligible, you may not receive your Government co-contribution
- it may become more difficult to locate or amalgamate your superannuation benefits in the future to pay you any benefits you are entitled to.

If you provide your TFN, it will be treated confidentially.

If you give us your TFN, you are giving us consent to use it for legal purposes, including:

- calculating the tax on any benefits you're entitled to
- providing information, including your TFN, to the Commissioner of Taxation
- where applicable, searching for your other super accounts, using your TFN.

In particular, when we search for your other super accounts, you are consenting to us acting on your behalf and using your TFN to search the ATO's SuperMatch program for super amounts held on your behalf by the ATO or by other super funds (and seeking more information from those funds about the accounts found). This consent will be held into the future and will allow us to complete periodic searches on your behalf. If at any time you wish to withdraw your consent, please contact us on 13 13 36.

We will let you and your adviser (on file) know the results of all searches of the SuperMatch program. Then, you can decide together if you would like us to consolidate your super accounts with us.

If you ever ask us to roll over your benefits to another super fund, we may also give your TFN to that fund.

You don't have to give us your TFN – it's not required by law. But if you don't:

- you won't be able to make personal contributions to your account
- you may pay more tax on your benefits than you would otherwise have to – sometimes significantly more
- you also may not receive Government co-contributions that you may otherwise be eligible for
- it may be difficult to find and consolidate your super benefits or to pay the benefits you are entitled to receive.

When will we be checking and updating your TFN?

Under current legislation, we are required to check whether you have supplied us with a valid TFN whenever we roll over or transfer your account balance. We may do this more often, to ensure that we have the most current and valid data for you. Where you don't provide us with a valid TFN, we may update our records with a valid TFN provided by the ATO. In such an event, we will not inform you of this update. If we receive a TFN from the ATO, you will be taken to have provided your TFN.

If you don't provide your TFN and you roll over your balance from another fund, the trustee of the other fund may provide your TFN. If so, we will update our records accordingly.

Please note: The legal purposes may change in the future following legislative change and the consequences of not providing your TFN may also change as a result.

If you provide your TFN to us, we may provide it to another superannuation fund trustee or Retirement Savings Account provider to whom your benefits are to be rolled over, unless you request us not to do so in writing. In all other respects, your TFN will be treated as confidential.

TFN tax – Provide your Tax File Number to your super fund

It is not compulsory to provide us with your TFN. However, if you do not, we may be required to deduct additional tax of 32%¹ from your taxable superannuation contributions (in addition to the 15% tax already payable). If you are an existing investor as at 1 July 2007, you will only be charged this TFN tax on your contributions if they exceed \$1,000 in a financial year.

In addition, if you do not provide your TFN within 30 days of making any other type of contribution (including a personal or self-employed contribution), we are required to refund the contribution to you less taxes, fees, costs and insurance premiums, and reduced or increased for market movements.

If TFN tax has been deducted from your contributions, you can quote your TFN to your super fund within the following three financial years, for a refund. You should consider this before leaving the fund.

To avoid paying additional tax or a refund of your contributions, please make sure we have your TFN recorded.

¹ This rate applies from 1 July 2017. Prior to this date the rate is 34%.
